Get to know local cross-sector partners before you work together at the next disaster! The Local Area Resilience Cooperative (LARC) is excited to invite community leaders and disaster care providers to this free opportunity to learn more about partners across the central Oklahoma metro area. Lunch will be provided as community organizations active in disaster (COADs), nonprofits, emergency managers, faith based groups, and other agencies present information about their disaster preparedness, response, and recovery capabilities. Presenting participants will each have:

- 1 PowerPoint slide
- 3 minutes to share their disaster response and recovery activities
- Resource table space for networking following presentations

After presentations, everyone can network with presenters at resource tables before leaving with resource lists of contact and organizational information for both presenters and attendees.

So that we can best plan for food and seating, [please click here before 2/15/18 to register to attend or to present!](#) You can ask questions, make suggestions, or volunteer to help at the [registration link](#) or contact Caroline Wiegman (coordinator@oklarc.org; 405-514-1054).

***REGISTER BEFORE Thursday, February 15<sup>th</sup>***
